CORPORATE COUNSEL SECTION FELLOWSHIP

Fellowship Program Goals

The Fellowship has been created as part of the Corporate Counsel Section's commitment to diversity and in conjunction with the New York State Bar Association's Diversity Challenge. The fellowship goal is twofold. First, to provide the selected organizations with the chance to have students from a diverse range of backgrounds provide assistance without cost and second, to provide students with an opportunity to experience in-house legal practice.

Eligible Candidates

A second-year law student from a New York law school from under-represented groups capable of fulfilling the requested work hours and responsibilities. A minimum GPA of 2.5, a letter of interest with a discussion about your personal commitment to diversity and how being from an under-represented group has impacted you along with a writing sample and the required documents listed below, will be required upon application.

Host Organization 2025: Lutheran Social Services of Metropolitan New York

The fellowship will take place at Lutheran Social Services of Metropolitan New York, 475 Riverside Drive, Suite 1244, New York, New York 10115. The agency transforms communities by collaborating with individuals, families and leaders to dismantle the causes and effects of persistent poverty and social injustice.

The student will assist the organization's general counsel (or other similar individual holding a counsel position) with matters relating to counsel or advice to the organization. Duties may include drafting responses to inquiries, appearing before government agencies for administrative hearings, review of contracts and insurance documents, providing guidance to the HR department in areas concerning personnel discipline, and the review of leases.

Program's Scope

The Program shall operate during the summer of 2025, and the NY public interest legal or charitable organization will employ and pay the intern at least \$7,000 stipend or an hourly equivalent based on the hours required. The public interest legal or charitable organization must be the employer of the intern and must provide the intern with a W-2. Due to the pandemic, the internship may be remote.
